MEMORANDUM FOR: General Graham

SUBJECT: Improving the United States Intelligence Board Structure and Procedures

1. Attached is the memorandum from Admiral de Poix to Director Jim Schlesinger which forwards for consideration the Army's views on improving USIB structure and procedures. I believe this ties in with the ongoing actions you have concerning USIB structure and procedures.

2. It has been agreed that at present a reply is not needed; however, please note General Allen's remarks that we should refer to this letter when action is taken.

3. I am providing a copy to [redacted] for USIB Secretariat files.
